

JOIN THE WORLD'S LEADING EXPERTS IN EB

EB 
2020 LONDON

From 19 to 23 January 2020, approximately 500 world opinion leaders, academics, practitioners, and community representatives will meet in London for four days to share state-of-the-art knowledge on epidermolysis bullosa (EB).

Members of the international EB Community are encouraged to attend the final day of the Congress (Thursday, 23 January 2020). Take advantage of this unique opportunity and register today.

Reasons to attend EB 2020

Join experts at the first EB congress - including experts with a patient community focus

Meet with fellow patients, advocates, and experts

Find out the latest updates and trends in EB research and care

Learn about internationally recognised best practice care

Hear from companies investing in EB cure(s), treatments, and quality of life improvements

Connect with organisations supporting the EB Community and funding research

Gain a better understanding of the clinical trial process and potential therapies

Discuss experiences in open forums on practical topics

Be part of an unforgettable event that will make a difference in the world of EB
